Photography Collection

Photographic prints of the beautiful city of Berlin are the latest addition to the WIJCK. Photography Collection. The collection shows a unique and local view on the cities most iconic landmarks.. The five black & white photography prints of Berlin are available in five different sizes. Beautiful to hang on the wall as a single photography print, or in combination with one of our Berlin city maps.

Sizes

Our Photography Collection is build around five various sizes. From postcard size till extra large poster size, we have something that fits every interior. Each photograph has been exclusively photographed for WIJCK. Printed on our specially developed paper, produced in The Netherlands.
